

(Memories of Your Love)  
**Touch My Heart At Christmas Time**

Don Gnecco

There are Christmas sounds ev'rywhere I go,  
Sounds of children's laughter in the snow.  
Santas ringing bells, carols 'round the tree,  
Singing at Christmas Time.

*All the colored lights twinkl'ing on trees  
Touch My Heart At Christmas Time.  
Thoughts of Christmas past run through my mind,  
Taking me back through time.*

Now I think of you, wond'ring where you are.  
I'll spend Christmas wishing on a star.  
Hoping that you'll know someone waits for you.  
Loving at Christmas time.

*All the colored lights twinkl'ing on trees  
Touch My Heart At Christmas Time.  
Thoughts of Christmas past run through my mind,  
Taking me back through time.*

Modulation

*All the colored lights twinkl'ing on trees  
Touch My Heart At Christmas Time.  
Thoughts of Christmas past run through my mind,  
Taking me back through time.*

In this gift from me I hope you can see  
Memories of your love  
Touch My Heart At Christmas Time.  
Touch My Heart At Christmas Time.
