

Feeling Loved at Christmas Time

Don Gnecco

I remember happy Christmas mornings.
I remember songs by the fire.
I remember stores and streetlights all aglow.
There are mem'ries ev'rywhere I go.

I remember singing Christmas carols.
I remember skating on the pond.
I remember making angels in the snow.
There are mem'ries ev'rywhere I go.

*Church bells ring; children sing.
Twink'ling lights on ev'ry Christmas tree.
Girls and boys playing with their Christmas toys;
All these happy mem'ries reminding me that I'm
Feeling Loved at Christmas Time.*

I remember candy canes and eggnog.
I remember stars atop tress.
I remember Christmas wreaths and mistletoe.
There are mem'ries ev'rywhere I go.

*Church bells ring; children sing.
Twink'ling lights on ev'ry Christmas tree.
Girls and boys playing with their Christmas toys;
All these happy mem'ries reminding me that I'm
Feeling Loved at Christmas Time.
Feeling Loved at Christmas Time.*
