

# Joy Amid the Gathering Crowd

Don Gnecco

Joy amid the gathering crowd,  
Lift your hearts and voices high.  
Come and hear our song of praise as the honored passes by.

Gather 'round and clasp your hands,  
Hold them closely to your breast.  
Feel your heart, it's filled with joy, and together we are blessed.

In this moment we are joyful,  
Hearts are filled with love.  
We are here to celebrate in light from up above (above).

Lift your hearts and voices high.  
Gather round, we celebrate,  
In light from up above.  
Gathering here in love.
