

I Still Want An Old Fashioned Christmas

Don Gnecco

I Still Want An Old Fashioned Christmas.
Fam'ly together on Christmas night.
I still love those Christmas carols, sung by candlelight.

I Still Want An Old Fashioned Christmas.
Lots of tinsel and colored lights.
I still want a crack'ling fire to warm me on Christmas night.

I want an old fashioned Christmas.
Just like they used to be,
With candy canes on the Christmas tree.
And gingerbread like there used to be.
All at Christmas time.

I Still Want An Old Fashioned Christmas.
Lots of presents for girls and boys.
One where children who've been good get lots of Christmas toys.

I want an old fashioned Christmas.
Just like they used to be,
With candy canes on the Christmas tree.
And gingerbread like there used to be.
All at Christmas time.

Bridge:

I'll still hand up my stocking with your loving care.
I'll wait under the mistletoe, hoping you'll be there.
(You'll be there.)

I want an old fashioned Christmas.
Just like they used to be,
With candy canes on the Christmas tree.
And gingerbread like there used to be.
I want an old fashioned Christmas.
