

EVERYWHERE I LOOK

Don Gnecco

Everywhere I look I see you
Everywhere I turn I see your smile.,
When I see the sun
Or the sky of blue
Everywhere I look I know it's you.

Life's a mystery 'most all the time.
There's so much for us to do.
But I can't imagine it being worthwhile
If I couldn't be with you.

Everywhere I look I see you.
In each flow'r I see I know you're there.
When I feel your touch
I'm reminded just how much
Everywhere I look I see you.

Life's a mystery 'most all the time.
There's so much for us to do.
But I can't imagine it being worthwhile
If I couldn't be with you.

Everywhere I look I see you.
In the setting sun I know you're there.
With you by my side
I look at you with pride.
With every single day
I really have to say that
Everywhere I look
With each passing smile--
Everywhere I look
I see you there.
